Subject: File C37-24

Attention Lindsey Green, Clerk for the Township of Southgate.

Please accept this email in response to the proposed zoning amendment at 411575 Southgate Road 41 of my high concern and the concern of many residents in our area. There certainly has not been enough information provided, due diligence, research or testing across the many unanswered questions regarding the proposed zoning by-law amendment nor the many future effects of this proposal:

- Product specifications (what product exactly?)
- Noise pollution
- Air quality and smell
- Traffic and public safety
- Water table pollution

All of the above should be answered with factual back up information before this plan is given any further approval by the township. I request that I am notified of council's decision after this Wednesday's meeting. Thank you.

Jarrett Andrews
