Hi Shayne,

You are correct that GRCA is leading the review of the larger subdivision block. I have reached out to Trevor at GRCA. If GRCA is acceptable to reviewing the specific B8-24 and A13-24 and A14-24 files, and collecting the associated fees, that would continue to be acceptable to SVCA. I will wait for Trevor to respond to confirm if the above is acceptable to the GRCA. In the meantime, SVCA does not have any comment to provide at this time.

Kind regards,

Mike
