Hi Shayne,

I'd have to see all that's entailed in the applications, but I don't believe the school block is in a CA-regulated area. As long as the applications are consistent with the draft plan and the SWM report, I don't see a need to comment from my end. That's pending a look at the applications, and I welcome any further comment from Mike given the block is pretty much all in SVCA's jurisdiction.

Regards,
