

# QUIET STUDY ROOM POLICY

---

Approved: January 17, 2019

---

The Southgate Ruth Hargrave Memorial Library (or “The Library”) provides a Quiet Study Room for patrons to work individually or in a small group for the purposes of studying, writing, homework, research, reading, or small group study.

The purpose of the Library’s Quiet Study Room is to provide a dedicated space for patrons seeking a quiet environment away from the distractions of the main library. The room will be available free of charge.

Failure to abide by the policies and procedures governing the use of the Quiet Study Room and the Patron Code of Conduct may result in denial of future use.
