

Nov 25/24

To the building dept.

From the Fergusons at 085481 Southgate 08

My Concerns

- how big of buildings
- how many buildings
- Where is well going how deep
- how the well will affect my well groundwater
- if my well dries up who pays for it
- how close to river are the buildings
- where is septic going
- how many people going to be living there and who
- where is parking going
- how much traffic will there be
- parking lot is it going to be gravel or asphalt
- what kind of lighting affecting night/sleeping

My Big Concerns

- can I still build new barn & shop
- Keep my livestock
- my well
- Right now too many unknowns
- How is this going to affect me & my farm

Thank you
