Hi Cassandra & Victoria,

I just wanted to flag something from our application. It was our original understanding that the proposed structure would consist of a roof (i.e. uncovered), however, Eli has advised that it is to be enclosed. It's a relatively minor correction but should be properly addressed in future staff reports.

Also, the March 26 meeting will be held in Southgate or Owen Sound, and is there a delegation request? I expect MHBC will make a brief presentation on the applications.

Thanks,  
Gillian
